

No. PMBI/06/Circular/190/2022-23

Date: 1<sup>st</sup> June, 2022

**Circular for the mandatory use of POS Software for conducting sales**

To,

**PMBJK Owners,**

Pharmaceuticals & Medical Devices Bureau of India is continuously striving to make an impact on the common masses in its endeavour to provide affordably priced and easily accessible quality medicines to the citizens of the country. We are working hard for improving the coordination at various levels between Janaushadhi Kendra, healthcare centres, and warehouses to increase the speed and accessibility of essential medicines.

**With the view to achieving the above, PMBI wishes to inform all its Kendra owners that the use of POS software is compulsory for engaging in or recording every sale made by the Kendra. Moreover, a bill shall necessarily be issued for each sale by every Kendra owner.**

Additionally, PMBJK owners are herewith directed to keep all their information updated in the POS software in order for the smooth maintenance of incentive disbursement and logistic services.

**R. Giri**

**Manager, M&S**
